GUIDED NOTES — FILL IN THE MISSING FIGURES AS YOU FOLLOW THE LECTURE

1. Migration is a fundamental human behavior, not an aberration — _____ international migrants in 2024 represent 3.7 percent of world population, with far more migration occurring internally and regionally.

REFLECTION — ANSWER IN FULL SENTENCES

'What shapes migration narratives in your discipline, your media environment, and your own prior assumptions — and how has this module challenged or confirmed those narratives?'

The essay asks students to reflect on the source and content of their own prior beliefs about migration before they have been fully exposed to the course's empirical content.
